

Section V—Reactivity Data

Stability	Unstable	No	Conditions to Avoid
	Stable	Yes	

Incompatibility (*Materials to Avoid*) Not available

Hazardous Decomposition or Byproducts Not available

Hazardous Polymerization	May Occur	Not available	Conditions to Avoid
	Will Not Occur	Not available	

Section VI—Health Hazard Data

Route(s) of Entry	Inhalation?	Skin?	Ingestion?
-------------------	-------------	-------	------------

Health Hazards (*Acute and Chronic*)

Exposure to respiratory system may result in irritation and coughing. Skin wash with water and soap. Check for and remove contact lenses. The exposed eyes should be washed immediately with large amounts of water, occasionally lifting upper and lower lids, for at least 30 minutes until no evidence of chemical remains. If irritation persists, see medical attention.

Carcinogenicity	NTP?	IARC Monographs?	OSHA Regulated?
-----------------	------	------------------	-----------------

Signs and Symptoms of Exposure

Exposure to respiratory system may result in irritation and coughing.

Medical Conditions

Generally Aggravated by Exposure

Persons with trouble with nuisance dust.

Emergency and First Aid Procedures

Move victim to fresh air. If symptoms persist seek medical attention.

Section VII—Precautions for Safe Handling and Use

Steps to Be Taken in Case Material Is Released or Spilled

Dry spills: Sweep up granules. Avoid contact with skin, eyes, or breathing dusts. Wet down if necessary to control dusts.

Waste Disposal Method

Product is biodegradable, with no special waste disposal. However, check any Federal, State, and Local regulations that may apply. This material is non-hazardous plant nutrient and may be disposed of by applying to plant soil in accordance with manufacturer's recommendations.

Precautions to Be Taken in Handling and Storing

Store in original container, in a cool, dry place out of reach of children and pets. Wash after handling. Avoid eye contact and breathing dusts if generated.

Other Precautions Avoid excessive applications where run-off water may carry product into lakes or streams.

Section VII—Control Measures

Respiratory Protection (*Specify Type*)

Ventilation	Local Exhaust	Not required	Special	Not required
	Mechanical (<i>General</i>)	Not required	Other	Not required

Protective Gloves	Not required	Eye Protection	Not required
-------------------	--------------	----------------	--------------

Other Protective Clothing or Equipment Not required

Work/Hygienic Practices Open Wounds should be kept clean and suitably protected
