

MATERIAL SAFETY DATA SHEET

Coco-Wet

SECTION 1 – Product & Company Identification

Product Name Coco-Wet
Company Name Spray-N-Grow, Inc.
Company Address 20 Hwy 35 S Rockport, TX 78382
Emergency Phone 800-323-2363
Fax Phone 361-790-9313
MSDS Preparation Date 10-15-2010
Trade Name Coco-Wet
Chemical Family Nonionic wetting agent

SECTION 2 – Composition/Information on Ingredients

Ingredients are exempt from the requirements of a tolerance level by the Federal Code of Regulations, title 40, Part 181.001. A proprietary blend: 90% nonionic modified cocodiethanolamide and 10% inert constituents considered ineffective as an adjuvant.

SECTION 3 – Hazards Identification

Potential Health Effects

Eyes May cause pain and irritation. Should irritation persist, consult physician.
Skin Contact May cause skin to dry out and cause irritation. May cause skin burning sensation if skin is broken.
Skin Absorption None
Ingestion May cause discomfort, nausea, vomiting, diarrhea, gastric distress. Consult physician if symptoms persist.

SECTION 4 – First Aid Measures

Eyes Irrigate with water for 5 minutes; Seek medical help.
Skin Wash off in flowing water or shower
Ingestion Wash out mouth thoroughly with water and give water to drink. If symptoms persist, seek medical advice.
Inhalation Remove to fresh air

SECTION 5 – Fire-Fighting Measures

Flash Point None
Flammable Limits None
Extinguishing Media N/A
Extinguishing Media N/A
Fire & Explosion Hazards None

SECTION 6 – Accidental Release Measures

Accidental Release Measures: Workers performing clean-up duties should wear gloves to protect against excessive exposure. Contain spill by diking with dirt, sand or other absorbent material. Avoid walking in spill area as surface could become slippery.

SECTION 7 – Handling & Storage

Store at room temperatures below 120°F

SECTION 8 – Exposure Controls/Personal Protection

Ventilation N/A
Respiratory Protection N/A
Skin Protection For brief contact, no precautions necessary.
Eye Protection Wear safety glasses or sunglasses.

SECTION 9 – Physical & Chemical Properties

Appearance Straw colored liquid
Odor Slight odor similar to liquid soap
Specific Gravity 1.02°F
Solubility in Water Complete
pH 6.2

SECTION 10 – Stability & Reactivity

Stability Stable
Incompatibility None
Chemical Properties None
Combustion Products None

SECTION 11 – Toxicological Information

N/A

SECTION 12 – Ecological Information

N/A

SECTION 13 – Disposal Considerations

No special considerations

SECTION 14 – Transport Information

U.S. Department of Transportation

Proper Shipping Name NMFC #4610 Spray adjuvant, spreader and sticker

Hazard Class None, non-hazardous liquid

SECTION 15 – Regulatory Information

U.S. Federal Regulations EPA Category 4 – No hazard or warning label required

SECTION 16 – Other Information

N/A
